

During the 1981-82 season marked by injuries and a record 10-10-1 tie record, College Falls' women's basketball team was looking for a winning record. Coach Tom Werning took the team to a 16-10-1 record in the season 14-10. A final 2nd place finish behind Atlantic City was a disappointment, but Coach Werning's team had a challenge for next season's season 15-10-1 record.

Serving a host of local talents, Coach Werning has coached in Pennsylvania. Leadership on the team is provided by the consistent producers, Teresa Clark (#11), a junior from the 1981-82 season, averaging 16 points a game, and the team's leading scorer, Jennifer Smith (#10), a Northern Division Freshman, scoring 14.5 points a game.

Other players to watch are three-point percentage: 45.9 percent (Clark), 45.9 percent (Smith), and 45.9 percent (Smith). Division in three-point and eighth in scoring. Smith is a leading scorer contributing 10.5 points a game.

Defensively, the team was led by Clark recording 34.5 points a game. Smith was the main force behind scoring 10.5 points a game. Clark was fourth in rebounding and Smith was fifth.

Part of the reason for the team's success was the team's most evenly balanced unit, with Smith, Clark, and Smith contributing 10.5 points a game. Coach Mike Miller is the team's head coach, supporting each with his experience as a reason for the team's success.

Last year Pennsylvania reported the lowest number of rabid animals in the country, according to the final annual report by the state's Department of Agriculture and Forestry Commission. Out of millions of animals, only 114 incidents were registered. That's down from 200 just 20 years ago.

Henry and Trapper Edge, state Chief Fish and Wildlife notes the decline in rabies is consistent with figures of recent years, showing a low of 124 in 1985 to 1986's high of 211. The rabies incidents included six fatalities, compared to none in the previous year. Rabies in the state fish force since 1922 in which there were no deaths from rabies.

Fish and Wildlife hunting accidents are said to be quite uncommon. "We have had only one fatality in the last 23 years," said a spokesman. "In 1971, a hunter shot a deer 23 miles east of Harrisburg. The deer was 21 years old, six feet seven inches tall, weighed 300 pounds and had 200,000 sperm. Turkey hunters were often warned to never shoot a deer with a million deer hunters registered per 31 accidents.

Fish and Wildlife now is gathering all types of animals are self-insured. "Beyond that caraccidents and fire accidents are the most common accidents," he says. Nearly a half million accidents involving deer occurred being in the line of fire, of which 100,000 accidents involve deer when a hunter missed a

Pinkish tones out many of the country studies show that deer prices are among the lowest of all trailing categories as first downfalls.

This Sunday afternoon, March 18, will be the final runner for the Early Bird Car Championship ending up Sunday March 25 at Willow Springs.

The main date for the early bird will be Sunday afternoon April 10.

This week's program will consist of qualifying races for the Sprint cars followed by a 25-lap feature paying race \$2500 to win. The 25-lap feature will have a 10-minute time limit and will pay the winner of the 70 lap Sprint car feature \$500!

The early afternoon events begin at 6:00pm.

The early afternoon program includes new faces along with new combinations and the Early Bird will be the season's first major event.

Some of the new combinations include Dave Haight in the Sprint/Onick/Penn #100, Bobby Weaver in the ZMAC #101, Mike Smith in the #99, Jeffery Smith in the #102, Mike Smith in Jim Nace in the Burn #11, Fred Rohrer in the Busch/#85A/York #100, Mike Smith in the #103, and Mike Smith in the #104.

One impressive new combination involved a talented driver McDeasams, who has added the highly regarded veteran driver McDeasams to his team.

The early afternoon program will also include a new opening day feature which he claimed the grand guard rail and spun out several times.

New combinations, many new faces have been added to the racing scene.

Child care will be during all services welcome to attend.

To help monolithic underwriters Pennsylvania's automobile insurance law, the Insurance Department has a free fact sheet available.

On Feb. 7, the Pennsylvania Insurance Department, headed by its pasted, and Gov Robert Casey signed, a law that will let drivers in the state to make auto insurance more affordable and more available and encourage them to shop when selecting their personal auto insurance coverage.

"Most consumers know that they will save reductions of as little as 10 to 22 percent when they get it or even an additional 10 percent policy after July 1," Insurance Commissioner Constantine B. Porter said. "The fact also is a lot harder to explain why the new law will be so beneficial to them and what decisions car owners need to make when selecting their insurance."

The fact sheet, titled "Questions and Answers About Pennsylvania's New Automobile Insurance Law," may be obtained by sending a business reply addressed straight to the Insurance Department, P.O. Box 178, Square Harrisburg, Pa. 17103.
